You are responsible for presenting - either orally, in print or possibly both - a short overview of 3 important figures in the development of our uniquely American camping traditions. Each report must include -

- 1 - The name and tag line for each Elder.
- 2 - A short biographical overview - birth, death, location
- 3 - Background and Career - help us know who they are
- 4 - Contributions to Camping - Why are they recognized as an Elder
- 5 - Legacy - Why should they be remembered
- 6 - Bibliography - if they are an author, or listing of specific contributions
- 7 - Resources - Use at least 3 sources
- 8 - Good clear photograph

Print out and give a copy of your report to the instructor on the day it is due. **No credit for late reports.** Reports must also be disseminated to all class members as they will be responsible for knowing who these people are on the final exam.
